### Swinger 4000 Poster

Please provide your Swinger 4000 poster artwork at A1 size (594x841mm) with an additional 5mm bleed on all sides - total size 604x851mm. Please include printers crop marks on your poster artwork. The poster artwork has a visible area of approx 574x821mm (as denoted by the magenta dashed keyline) therefore we recommend a clearance zone of at least 20mm from each edge of your artwork on all sides. Bleed any artwork into your clearance zone but avoid placing any important information within it.
