

**Final Document Requirements**

Please supply final document as a hi-res PDF at:

25% (with 2.5mm bleed on all sides) - total document size 380 x 578.75mm

50% (with 5mm bleed on all sides) - total document size 760 x 1157.5mm

100% (with 10mm bleed on all sides) - total document size 1520 x 2315mm

or supply InDesign source file with all relevant link files and fonts

Visible Area

Bleed artwork over this area. Make sure no important information features here as this ends up in the take-up cassette
