

Final Document Requirements

Please supply final document as a hi-res PDF at:

25% (with 2.5mm bleed on all sides) - total document size 505 x 578.75mm

50% (with 5mm bleed on all sides) - total document size 1010 x 1157.5mm

100% (with 10mm bleed on all sides) - total document size 2020 x 2315mm

or supply InDesign source file with all relevant link files and fonts

Visible Area

Bleed artwork over this area. Make sure no important information
features here as this ends up in the take-up cassette
